## Application Process

To enrol into a course as an overseas student at Sydney Metropolitan International College, applicants must complete an International Student Enrolment Form available from the website. The form should be completed in full and submitted by email to: [admissions@smic.edu.au](mailto:admissions@smic.edu.au). A simplified application and study process is illustrated below:

The application for enrolment must be accompanied by:

- Evidence of IELTS proficiency (General Score of 6.0 with no band less than 5.5), or equivalent;
- Evidence of completion of Advanced Diploma or Bachelor qualification, or equivalent
- Current passport
- Current student visa for international students, or if already in Australia, visa with study rights.

When we receive your application, our Admissions Officer will review it for completeness. When the application is complete, the officer will organise a pre-enrolment interview with the student via phone, skype or other means. If the officer is satisfied with the applicant's documentations and interview, you will be issued a Letter of Offer, sometimes with condition, with an invoice for initial payment of fees and a Student Agreement form. This Offer is valid for 2 weeks. Within this period, you need to accept the offer by paying the fees and returning the completed Written Student Agreement, with any other documents stated in the conditions such as IELTS score and education proof.

Upon receipt of your acceptance and approval of your application, an electronic confirmation of enrolment (eCoE) will be generated and forwarded to the Department of Home Affairs and yourself at the address provided on your application with an official receipt for the fees paid.

International students can then proceed with the application for an Australia visa. It is the applicant's responsibility to apply for and obtain a student visa.
