

FEES AND REFUND POLICY AND PROCEDURES

In accordance with applicable legislation, Sydney Metropolitan International College is entitled to charge fees for services provided to students undertaking a course of study. These charges are generally for items such as enrolment fees (non-refundable), tuition fees, course materials or textbooks, and student services.

Fees payable

Fees are payable when the student has signed the student agreement to signify their acceptance of enrolment offer made by Sydney Metropolitan International College. Fees must be paid in full within ten (10) days of receiving an invoice from Sydney Metropolitan International College or by due date mentioned in the invoice. Sydney Metropolitan International College may withdraw an offer of enrolment or discontinue training if fees are not paid as required.

Students are required to pay a fee of \$200 on enrolment (The enrolment fee is non-refundable) and a minimum 25% of total tuition fees on successful admission to a programme. A further 25% of the fees are payable for the course at least 14 days prior to the commencement of the course unless the student has requested to make a larger payment and confirmed in writing. It should be noted that an RTO cannot require students to pay more than 50 per cent of their tuition fees before they start the course. A student or the person responsible for paying the tuition fees, may choose to pay greater than 50 per cent of their tuition fees before they start their course. If the student requests this, Sydney Metropolitan International College must be able to show evidence that the student has exercised choice in how much of their tuition fees are paid up front. Offshore students might have to pay full first year tuition fee to meet Genuine Temporary Entrant (GTE) criteria.

Once a student has completed enrolment, fees will not be subject to change for the normal duration of the course. If a course length is extended by the student, then any fee increases will be required to be paid for the extended component of the course.

Schedule of Fees and Charges

The Principal Executive Officer is responsible for approving the Sydney Metropolitan International College Schedule of Fees and Charges. As a minimum the schedule of fees and charges is to include:

- the total amount of all fees including tuition fees, enrolment fees, learning resources fees, training consumable fees and any other charges for enrolling in a training programme;
- payment terms, including the timing and amount of fees to be paid and any non-refundable deposit/application fee;

Refunds – Refused student visa

A student who is refused a student visa to study in Australia will be entitled to a 100% refund of fees paid less the enrolment fee (\$200). Evidence from the relevant Australian Government Department that the Visa was refused will need to be provided to Sydney Metropolitan International College.

Refunds – Misconduct

No refund will be granted to a student whose enrolment is terminated for failure to comply with Sydney Metropolitan International College's policies and procedures and the requirements of their visa by Dept. of Immigration and Border Protection (DIBP).

Refunds - Cancellation of a course by Sydney Metropolitan International College (Provider default)

If Sydney Metropolitan International College defaults, that is, if the course does not start on the agreed starting date or the course ceases to be provided before it is completed, Sydney Metropolitan International College will make every effort to transfer the students' enrolment to another college. If this is unsuitable the college will pay a refund of the unused portion of the course money received from the student. This refund will be paid to students within 2 weeks of the default day with a statement explaining how the refund amount has been calculated.

Payment of GST

GST is exempt under section 38-85 GSTR 2003/1 Goods and Services Tax, tax ruling. The ruling explains the supply of a course for 'professional or trade course' is a GST-free education course. Where a student is enrolled in a course which is offering units of competence or a whole qualification, the course fees attached to this enrolment will be exempt from the payment of GST. GST does apply on the payment of some miscellaneous charges where these charges are in addition to and outside the normal services offered in a course.

Miscellaneous Charges

Sydney Metropolitan International College will levy some miscellaneous charges for services. These may include:

- Re-issuing a certificate after it has been initially issued to a student.
- Replacing issued learning materials which the student has lost or damaged
- Re-assessment services

These miscellaneous charges are to be clearly specified in Sydney Metropolitan International College Schedule of Fees and Charges. It is to be made clear if these services will include GST. All miscellaneous charges are based on a cost recovery basis and are not intended to be a source of profit.

The Tuition Protection Service

The Tuition Protection Service (TPS) is an initiative of the Australian Government to assist international students whose education providers are unable to fully deliver their course of study. The TPS ensures that international students are able to either:

- complete their studies in another course or with another education provider or
- receive a refund of their unspent tuition fees.

Provider default

In the unlikely event Sydney Metropolitan International College is unable to deliver a course where fees have been paid in advance and it does not meet its obligations to either offer the student an alternative course that is accepted or pay the student a refund of the unspent prepaid tuition fees, the TPS will assist the student in finding an alternative course or offer a refund if a suitable alternative is not found.

In the case of provider default there is no requirement for a student to lodge a Refund Request Form.

Fees being paid in advance

Sydney Metropolitan International College acknowledges that it has a responsibility to protect the fees paid by students in advance of their training and assessment services being delivered. To meet its responsibilities under the ESOS Act, Sydney Metropolitan International College requests payment of no more than 50% of the total tuition fees for the course before the student commences the course. Following course commencement, no further pre-paid tuition fees are taken before the beginning of the second study period.

Sydney Metropolitan International College maintains a separate bank account in order to keep pre-paid tuition fees separate from day-to-day operating expense accounts. If a refund is payable before the student commences, the refund can be made in full and in a timely way without impact on the financial operations of the business or recourse to the Tuition Protection Service.

Keeping students informed

To ensure that students are well informed of the financial considerations of their enrolment, Sydney Metropolitan International College undertakes to provide the following fee information to each student prior to enrolment:

- the total amount of all fees including tuition fees, enrolment fees, materials fees and any other charges;
- payment terms, including the timing and amount of fees to be paid and any non-refundable deposit/application fee;
- the nature of the guarantee given by Sydney Metropolitan International College to complete the training and/or assessment once the student has commenced study in their chosen qualification or course;
- the fees and charges for additional services, including such items as issuance of a replacement qualification testamur and the options available to students who are deemed 'not competent' on completion of training and assessment; and
- the Sydney Metropolitan International College refund policy.

Student complaints about fees or refunds

Students who are unhappy with the Sydney Metropolitan International College arrangements for the collection and refunding of tuition fees are entitled to lodge a complaint or appeal the decision taken by the Principal Executive Officer. This should occur in accordance with the Sydney Metropolitan International College Complaints and Appeals Policy and procedure.

This refund policy, and the availability of our complaints and appeals processes, does not remove student rights to take further action under the Australian Consumer Protection laws.
